## Payment of charges and payment obligations

The aircraft owner, user and/or person acting as the representative of the owner of the aircraft are jointly and severally liable for the payment of the charges in this price list.

All rates are in SEK and are exclusive of any taxes or levies payable thereon. The total amount shall be rounded off to the next full SEK. Value added tax (VAT) shall be paid according to applicable law.

All charges described according to this price list are due to immediate payment to Linköping City Airport AB. unless otherwise agreed in writing, the owner, pilot or representative of the aircraft shall report to the Airport Office immediately before take-off or immediately after landed at the airport.

Agreement can be made concerning periodic invoicing, provided the owner or user of the aircraft operates on a regular basis or has higher volume of traffic. Payment terms in 30 days net.

Upon request, the airline is obliged to make all necessary information available to Linköping City Airport for credit rating purposes. All information received will be treated confidentially.

In the event of failure to the charges due, the following provisions shall furthermore apply:

- Late payment will result in interest of overdue payment of 15,5% and an administrative cost of 100 SEK.
- In the event of failure to pay, Linköping City Airport may inform airline that it will not be allowed to operate from Linköping City Airport until all charges plus interest and service fees have been paid in full.
- In the event of failure to pay, Linköping City Airport is entitled by law to take legal action against the aircraft including but not limited to attachment of the aircraft itself, its fuel and engines irrespective of who may be from time to time the owner of such assets and Linköping City Airport will, without incurring any liability from the owner of the aircraft, the holder and user thereof and any person action as representative of the owner, the holder or user thereof be entitled to prevent the aircraft from departing from Linköping City Airport until all charges have been paid in full.

-Immediately after failure to pay, Linköping City Airport may demand a Banker's guarantee for the amount due and for expected charges for the following three months.

-After failure to pay, Linköping City Airport may change agreed payment terms concerning periodic invoicing and revert immediate payments for future take offs from the airport.
